

# Grant Application

Housing Grants are often awarded for those interested in doing improvement projects at Magpie Springs or approved community projects.

Housing grants recipients are expected to work on their project at least 4 hours a day.

**Projects can include:** extensive gardening, construction, artist assistant, sculpting frisbee golf baskets with sculptured flair, or specific conservation projects.

1) What is your proposed project or role? (less than 500 words)

2) What do you need to make this residency a success? (Less than 500 words)

3) Who will benefit from your work?

4) Are you willing to go out into the community, (Dillon,) if needed for materials, consultants or partners? Who may these partners be?

5) What is your current profession? (Student, service industry, artist, etc.)
